THE WAIT IS OVER...

Are you ready to take on the world? With the Datsun redi-GO, you certainly are. Beauty and brawn, style and substance, all in one neat package. Tall enough to take on the roughest roads, agile enough to take on maddening traffic and stylish enough to make heads turn; the redi-GO is everything you need and more.

READY-TO-GO EASE

When was the last time you drove with ease? Ran long and far. Zigged through lanes, zagged through alleys, taken on bad roads and traffic effortlessly. Now do all that and more without a care in the world.

BEST IN CLASS

DAYTIME RUNNING LAMPS
Sharp Daytime Running Lamps make a cool impression. An added benefit that helps keep everyone safe.

ENGINE
i-SAT (Intelligent Spark Automated Technology) engine automatically adjusts spark timing in response to fuel quality and power requirement. This gives you a knocking-free smooth performance and an impressive fuel economy of 25.17 km/l*.

BEST IN CLASS

HIGH GROUND CLEARANCE
The best in class ground clearance of 185mm* in the Datsun redi-Go helps you deal with low obstacles you may encounter on the street.

READY-TO-GO FREEDOM

Discover true freedom inside the Datsun redi-GO. With roomy interiors for that sense of space, an amazing mileage of 25.17 km/l** and a commanding seating position to help you enjoy all the sights and sounds of the world around you, long drives will never be the same again.

BEST IN CLASS

CABIN SPACE
The Datsun redi-GO has ample second row knee room for those sitting at the back. Better than any other vehicle in its class.

TALL BOY STANCE
The Datsun redi-GO has a heightened stance of 1541mm*, meaning that occupants sit higher, while the driver enjoys a commanding view over the road ahead.

BEST IN CLASS

FUEL ECONOMY
The high-power, high-torque engine also delivers an impressive fuel economy of 25.17 km/l**, so you can enjoy the road longer.

READY-TO-GO CONFIDENCE

Smart, safe and trustworthy, the redi-GO gives you peace of mind for years and years to come. With unlimited warranty, extensive safety features and the lowest maintenance cost in its class, you have a car that gives you the confidence to hit the road without a care in the world.

DRIVER AIRBAG
The Datsun redi-GO features a driver airbag that helps protect you in the event of an unavoidable collision.

LOWEST MAINTENANCE COST

BEST IN CLASS

LOWEST MAINTENANCE COST
Datsun redi-GO sets a new benchmark with upto 32%* lower maintenance costs than the competition. Coupled with high-fuel efficiency, this makes the redi-GO's ownership pocket friendly.

SPORTY OUTSIDE

The Datsun redi-GO follows a bold design philosophy that seeks to create cars that are Brave and Sporty, Compact yet Sleek, with crisp clean lines.

HEAD LAMPS

Futuristically designed yet extremely functional, this iconic design with its stylish signature chrome finish differentiates the Datsun redi-GO from all the other cars on the road.

TAIL LAMP DESIGN

The rear lamp clusters are positioned high up on the car's tail and have a stylish three-dimensional form.

FRONT GRILLE

Sleek horizontal lines combine with strong D-shaped contours formed by metal bars on either side to symbolise the spirit of Datsun in a contemporary way.

SLEEK INSIDE

The interiors of the Datsun redi-GO have been designed with roominess and cutting edge style in mind, accentuated by dark and light GEREIGE coordination. The design is modern yet functional and driver oriented.

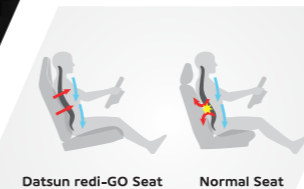

DIGITAL TACHOMETER
The modern digital tachometer gives you a quick read on your speed while providing another stylish touch to the interior. Along with the drive computer, you'll have a lot of important information.

QUICK COOL A/C
Datsun redi-GO's A/C system has a dedicated vent in the centre with calculated air circulation to ensure rear passenger comfort and a very enjoyable ride overall.

AUDIO SYSTEM
USB, AUX, Radio (FM/AM), CD, MP3 - it's all here in one convenient audio system.

Datsun redi-GO Seat Normal Seat

FORCE ABSORBING BOLSTER SUPPORT
The seat bolsters are designed to provide good back support. The lumbar support reduces fatigue and improved driving posture - for a healthy back and neck.

SPORTY FEEL SEAT & FABRIC
With styling inspired by sporty cross-over, the fabric inside of your Datsun redi-GO gives off an energetic look and feel, while providing comfort.

SILVER ACCENTS
The silver accents provide a touch of class and sophistication that elevate your experience every time you step in.

CONVENIENCE AND SPACE

If there's one thing that strikes you about the bright interiors of the Datsun redi-Go, it's the amount of thought that has gone into designing spaces within it. From the glove compartment to the easy fold down rear seats, everything is designed to maximise storage, space and convenience.

GLOVE COMPARTMENT
Keep your belongings out of sight and within reach.

CUP HOLDERS
Two cup holders upfront provide a secure place to keep your drinks closeby.

12V OUTLET
Need to charge on the go? The redi-GO comes with a standard 12V outlet that allows you to plug in a charger or other compatible electronic devices.

BOOT SPACE
The Datsun redi-Go provides a generous boot space, of 222 l. When you need to bring larger items, simply fold down the rear seats and you've got over double the available space. Perfect for luggage, cricket equipment, or other bulky items.

SPEED SENSITIVE ELECTRIC POWER STEERING
Take control of your drive. A responsive power steering system provides the capability you need, to easily turn at lower speeds, along with firm handling at higher speeds.

SMALL TURNING RADIUS
The compact design of the Datsun redi-Go provides the ultimate manoeuvrability. Make a full turn-around with just a 4.7 m turning radius. Handy, for when you find yourself in a tight spot.

AMAZING PERFORMANCE

When it comes to performance, the Datsun redi-GO truly comes into its own. With its peppy high torque, high performance engine and impressive fuel efficiency, it is far ahead of others in its segment.

GOOD POWER AND FUEL ECONOMY

The redi-GO comes with a 799cm³ engine that generates high power, high-torque and also delivers a very impressive fuel efficiency of 25.17 km/l**, so you can enjoy the road longer.

DATSUN PRO-SAFE 7

The Datsun Pro-Safe 7 is the key in redi-GO which makes it safe, secure and reliable.

PAB-PERFORMANCE AUGMENTED BRAKES

Shortest braking distance due to short responsive time from brake pedal to wheels

RCPSS - REINFORCED CRASH PROTECTION SHELL

Strong body shell to absorb impact for passengers safety

S-TECH 2 - TECHNOLOGICALLY SUPERIOR SUSPENSION SYSTEM

H-shape torsion beam with double pivot arm gives high stability and comfort

AEPS - ADAPTIVE ELECTRIC POWER STEERING

High maneuverability at low speeds and stability at high speeds

OPTI-VIEW - High Eye Point

Wider view of road and surroundings

FABS - FORCE ABSORBING BOLSTER SUPPORT

High bolster support while cornering

EAS - ENERGY ABSORBING STEERING AND AIRBAG

Steering absorbs impact force and protects occupants
